

# 2018 Junior Golf Clinics

## Fon du Lac Park District

# Quail Meadows Golf Course

**Golf is a game that is hard to master; group lessons are not always conducive to mastering the many skills of the game. FdL Junior Golf Clinics will provide an ongoing opportunity for juniors to improve. The clinics will be taught by a group of individuals who have all put a great amount of time and effort into the game. The unique aspect of the FDL Junior Golf Clinics is students can focus on a facet of the game until he/she has a grasp on what they are trying to achieve.**
